

Charlie Powell ~ auctioneer, Cooley Auctions, Sydney NSW

"I have known Tony for all my auctioning career. What I really enjoyed about his auction training was his honesty and good humor and that comes for free in the training. Tony taught me to be myself in auctioning. He could see from his years of experience that the real Charlie had not come to the front of the stage. As a real estate trainer, his results speak for themselves. I would suggest one session with Tony would make you come back for more and more. Tony's energy is infectious. You'll enjoy it and if you don't tell him, he doesn't bite."
