

**Chris Bursey, Principal Ray White Bursmac, Perth Western Australia**

"My first opportunity to work with Tony was in 1994 when Ray White came to Western Australia. Tony then was chief Auctioneer for N.S.W. His knowledge became invaluable for those that wanted to embrace auction as an alternative to the more traditional marketing methods.

With his support we saw a change, a complete paradigm shift in the way we thought about all the aspects of service we offered to our sellers and buyers.

Today I still carry many of these learnt aspects of my profession in my current toolbox. Thank you Tony there is no better mentor in this area of business."
