“When I read Tony Fountains book, I knew I had to find out more, so I took his Auction course in sunny Bowral and was amazed. Admittedly, I was a bit of a cynic at the start of the day but Tony's passion and belief won the day and I sincerely believe Tony will always do the right thing by his vendors. So if you are a bit of an auction cynic, talk to Tony and once you understand his perspective you will change the way you think about selling real estate. Tony is highly recommended, call Tony today.
